

Chapter 1

Organization of the State Agency

1.1 Authority: 34 CFR 361.10, 53A-24-101, Utah Code Annotated.

Federal regulations require each state agency to describe the organizational structure, including a description of organizational units, the programs and functions assigned to each and the relationships among these units within the state agency.

1.2 Sole State Agency Designation

The Utah State Office of Rehabilitation (USOR) is under the policy direction of the State Board of Education and under the direction and general supervision of the Chief Executive Officer of the board. The Board is the sole state agency responsible for vocational rehabilitation and independent living programs in the State of Utah. USOR is primarily concerned with vocational rehabilitation, or vocational and other rehabilitation of individuals with disabilities. USOR is responsible for the State of Utah's Vocational Rehabilitation Program, including the determination of the nature and scope of and provision of vocational rehabilitation services.

1.3 Statewide Administrative Responsibility

Vocational Rehabilitation Services are available in all political sub-divisions of the State of Utah. (See Appendix 1-A, list of offices)

1.4 State Organizational Chart

See Appendix 1-B, Organizational Chart.

1.5 Mission Statement

The mission of the Utah State Office of Rehabilitation is to assist eligible individuals with disabilities to prepare for and obtain employment and increase their independence.

1.6 Agency Organization

USOR is one of three agencies directly responsible to the Utah State Board of Education. These agencies are USOR, the Utah State Office of Education (USOE), and the State Schools for the Deaf and Blind.

There are four Divisions under USOR. They are:

1. Division of Rehabilitation Services (DRS)
2. Disability Determination Services (DDS)
3. Division of Services for the Blind and Visually Impaired (DSBVI)
4. Division of Services for Deaf and Hard of Hearing (DSDHH)

1.7 Service Provision

The Vocational Rehabilitation Services described in the Code of Federal Regulations (CFR) Title 34, Part 361, are administered through the Vocational Rehabilitation component of the Division of Rehabilitation Services and the Division of Services for the Blind and Visually Impaired.
